presents

Ohio Valley NARI Member Open House

## "Casino Night"

09.28.10

On Tuesday, September 28, 2010, Ferguson Enterprises, Inc. will host our Member Open House with a Casino Night for NARI members.

This is a great opportunity for you to network with your Dayton and Cincinnati area colleagues, and a perfect event to bring prospective NARI members to.

In addition to live casino games (blackjack, roulette, and craps) with dealers and giveaways, there will be vendor displays.

If you've never been to Ferguson, they sell plumbing, lighting, appliances and cabinets – all of which you can check out while there.

Besides networking and education, this event will be used to promote NARI membership so bring a friend!

NARI officials will be on hand to provide membership information.

**Who Should Attend:** Business owners, lead carpenters, business managers, sales professionals, and those interested in the growth of the remodeling industry.
