Manufactured Stone

Uses and Design Options for Professional Remodelers

1.13.11

Event Details

daltile

4650 Lake Forest Drive
Blue Ash, OH 45242

5:30 p.m. Registration
& Networking

7:00 p.m. – 8:30 p.m.
Presentations &
Dinner

Cost:
\$10.00

*Sponsor a potential member
and bring them along as
NARI's guest.*

Join three of the area's most recognized experts in the area of manufactured stone:

- > **Bryon Moore – Manager with daltile**
- > **Marsha McCauley – Architect Representative with daltile**
- > **Doug Krumlauf – Custom Building Products Territory Representative**

Join us as these experts share their information and knowledge of manufactured stone, including:

- * How does a remodeler check availability of a product?
- * How can a remodeler drill a hole through porcelain tile?
- * Joints and how to replace grout or repair.
- * Repairing broken tiles.
- * Know how to professionally select tile and stone for your customers' projects.
- * What types of stone and tile can be used on countertops?
- * Differences and features of granite, marble and porcelain.
- * Cleaning and maintenance tips to "finish" a project.
- * Learn everything there is to know about proper installation.

For everyone's viewing pleasure, many new products displays will be available and daltile representatives will be available to answer questions and walk thrus.

A big Thanks to daltile for hosting our first membership meeting of 2011!
